

St. Christopher Five Wins.
 At Manhattan Casino, where a crowd of more than 1,000 people, the heavyweight boxing ball team of the St. Christopher Club of St. Philip Church, New York, defeated the Alpha F. C. C. "Five Wins" team on New Year's afternoon by the score of 5-0. The Hon. Charles W. Anderson, United States Collector of Internal Revenue, "threw out" the ball that started the game.

It's "Acid-Mouth" that destroys the teeth

You may not suspect it—but it's a 10 to 1 chance that this very minute mouth acids—unseen and silent—are "working" on your teeth. Nine out of ten persons have too much acid in the mouth.

Pebeco Tooth Paste

Is a real "tooth-saver." It's the only "acid-mouth" dentifrice. It saves teeth by never letting the mild but "always-at-it" mouth acids get at the protecting enamel. This is real tooth-insurance.

Pebeco cleans, whitens—refreshes and neutralizes the entire mouth.

WIDOW OF ENGINEER OF FEDERAL EXPRESS LOSES DAMAGE SUIT

Justice Loughlin Says Curtis Lost His Life in Wreck Through Carelessness.

Justice Frank G. Loughlin wrote an opinion in the Appellate Division of the Supreme Court to-day in which he denied Alice M. Curtis the right to recover \$5,000 awarded to her by a jury in the trial part of the Supreme Court here last summer against the New York, New Haven and Hartford Railroad Company for the death of her husband, Arthur M. Curtis, who was the engineer of the Federal Express, which was wrecked near Bridgeport July 11, 1911.

"The only theory suggested as to the cause of the action upon which the company could be held responsible is that the signals were not set in time to notify the engineer to slow down in order to take the cross-over and there is no evidence at all to sustain this point," says the court.

"On the contrary, the only possible inference that can be drawn from all the evidence is that the decedent lost his life by reason of his own negligence."

Justice Loughlin goes into a long and technical description of the interlocking signals which were the subject of extensive inquiry by the Interstate Commerce Commission and then decides that the signal was the "highest and most efficient type known."

He finds that the signals were properly set and that the townsmen had acted properly and with due regard to safety of the train.

The ruling of the Court against the widow of the dead engineer can not recover from the company, is no bar, Justice Loughlin says, to the liability of the company for the deaths of others killed in the catastrophe, as the negligence of the engineer makes his company responsible. Justice Loughlin orders a new trial of the suit.

TWO PAINTERS FALL

A little falling is a dangerous thing, according to a comparison of the injuries of Frank Fredericks and Herman Brandt, painters, who toppled from a ladder upon which they were at work

to-day in the office building at No. 41 Leonard street. Fredericks plunged four stories down a light shaft, receiving merely contusions and lacerations, while Brandt slid down a flight of stairs and received contusions and a broken rib.

The men were at work on a stair landing on the sixth floor. Brandt, holding the ladder, while Fredericks painted the wall. Without warning Fredericks lost his balance and plunged over the railing, landing on a scaffold at the second floor. In his flight he struck Brandt, sending him headlong down the stairs to the fifth floor.

Fredericks is thirty-five years old and lives at No. 1215 Third avenue and Brandt, who is fifty-nine, lives at No. 60 Eleventh avenue. Both were taken to the Hudson Street Hospital.

Go Armed Against Stomach Trouble

A Stuart's Dyspepsia Tablet Carried in Your Purse or Vest Pocket Will Enable You to Always Keep Your Stomach in Line.

Don't let all sorts of stomach troubles, dyspepsia, gastritis, malnutrition, dysentery and vertigo make life a constant torture and an ultimate failure. The man who is going to succeed to-day must have his body as well as his mind, in perfect working order. Stuart's Dyspepsia Tablets are necessary to the man who would always have his body in subjection to his will.

"I Eat When I Will, What I Want, How Often After Each Meal I Take a Little Stuart's Dyspepsia Tablet."

Stuart's Dyspepsia Tablets furnish just those elements—pepsin and other ingredients for the digestion of food. One or two of these tablets will completely digest the heaviest meal without any aid from the stomach. At the same time they tone up and invigorate the enfeebled stomach so that it is soon in a healthy condition again.

Prudent men always have a box of Stuart's Dyspepsia Tablets on hand. They make digestion certain no matter what or how much is eaten. Don't think because your stomach is usually all right that you don't need them. The policeman carries a revolver not because he needs it all the time, but because when he does need it, he needs it right then. When you want relief from indigestion, you want relief at once. Be armed against stomach troubles with a box of Stuart's Dyspepsia Tablets. 50 cents at any drug store. Successful men everywhere endorse them and rely upon them.
